

Attention SURFERS!

Christian Surfers is forming a New Hampshire Chapter!

Right now, CS is looking to bring together a core group of 6-8 Christian surfers as co-leaders of the NH Chapter.

The core group will be made up of guys and gals of different ages and representing multiple churches but all holding to the CS doctrinal statement (see www.christiansurfers.com.)

If you have a heart for loving, serving and sharing Jesus with other surfers and wave-riders, pray about being a part of this mission to the surfing community.
